Estimated Tuition, Fees, and Living Expenses for the Academic Year

Graduate School of Business

Use the estimated figures below to determine the financial support you need to submit. Your University bill will reflect the amounts approved by the University's Board of Trustees in June.

• If you are married and plan to bring your spouse or children, you must document additional funds for your dependents. The amounts for the Academic Year are $1,000 per month for your spouse and $500 per month for each child. Your dependents may join you at any time during your program of study.

• Students can expect tuition and fees to increase approximately 3-5% annually.

Note: Global EMBA students are not eligible to bring visa dependents.
