### Estimated Tuition, Fees, and Living Expenses for the 2017 - 2018 Academic Year

#### Graduate School of Business

1) Use the estimated figures below to determine the financial support you need to submit. Your University bill will reflect the amounts approved by the University’s Board of Trustees in June.

2) If you are married and plan to bring your spouse or children, you must document additional funds for your dependents. The amounts for the 2018-2019 Academic Year are $1,000 per month for your spouse and $500 per month for each child. Your dependents may join you at any time during your program of study.

Note: Global EMBA students are not eligible to bring visa dependents.

4) Students can expect tuition and fees to increase approximately 3-5% annually.
