## Estimated Tuition, Fees, and Living Expenses for the 2017 - 2018 Academic Year

### School of General Studies

1) Use the estimated figures below to determine the financial support you need to submit. Your University bill will reflect the amounts approved by the University’s Board of Trustees in late Spring.

2) If you are married and plan to bring your spouse or children, you must document additional funds for your dependents. The amounts for the 2017-2018 Academic Year are $1,000 per month for your spouse and $500 per month for each child. Your dependents may join you at any time during your program of study.

3) Summer tuition and fees are required for certain programs of study.
